

CALL FOR SESSION PROPOSALS

The Urbanization and Global Environmental Change (UGEC) Project is pleased to announce the Call for Session Proposals for our *2nd International Conference on Urban Transitions and Transformations: Science, Synthesis and Policy* in Taipei, Taiwan, November 6-8, 2014. We invite all who are interested to submit session proposals under one or more of the four conference themes:

- 1) Urbanization Patterns and Processes
- 2) Urban Responses to Climate Change: Adaptation, Mitigation and Transformation
- 3) Global Environmental Change, Urban Health and Well-Being
- 4) Equity and Environmental Justice in Urban Areas

The conference structure has been designed to balance the synthesis of UGEC research with discussion on how the urbanization and global environmental change field can best move forward including implications for policy and planning. The concepts of urban transitions and transformations are woven throughout the four conference themes and are intended to be incorporated throughout the following session formats:

- Open and Standard Sessions
- World Café
- Round Table
- Training Sessions

We also welcome suggestions for new and innovative formats, from multimedia projects to art installations. Email a brief description of your idea to: ugec2014@asu.edu

Deadline: November 8, 2013

More Information is available at the conference website:
